PREVIEW OF 2022 HOA Board Candidates
Join us to Meet the Candidates!
April 11, 2022 – 6 PM, North Country Alliance Church

David Andrews

I am semi-retired and co-owner of Hometown Communications, WIRY, here in Plattsburgh. I have a strong knowledge of both City and Town governments in Plattsburgh, having worked with the Town Supervisor and several mayors. I was a member of the HOA Board in New Hartford, New York and also served as President for a period of time before I sold the condo. I was also a board member in Little River, South Carolina. I served 4 years in the Navy and did two tours in Vietnam. I enjoy helping neighbors, volunteering my time and being a part of the community. I think it's important to be involved in the process. I find Lake Country Village to be a unique, quiet community and would enjoy helping to keep it that way!!

Ron Deragon

I have been serving on the Lake Country Village Board for the last 2 years. I have been a real estate agent for 19 years, and a resident of Lake Country for 10 years. I am running for the Lake Country Village Board to help keep the Village evolving with the times, use my knowledge of real estate trends to keep our area a desirable one for home buyers, and keep costs down. Being on the board has allowed me to listen to residents' concerns and ideas, and find ways to incorporate them into bettering Lake Country Village.

Kathy Firme

My husband (Joel) and I moved into LCV in April 2021 from Greenville SC. We lived in an HOA subdivision (Gresham Park actually in Simpsonville, SC). I served as secretary on the HOA board for the past 8 years. I also served the community as co-chair of the Social Committee organizing functions at the neighborhood clubhouse and pool area in an effort to help neighbors get to know their neighbors. I would like to have an opportunity to work with other neighbors to make LCV a community that people are proud to live in and proud to purchase their next home in.

Randy LaMora

I worked for NYSDOCCs for 32 years, retiring as a captain. I grew up and lived in the town of Saranac for many years. My wife and I moved to Lake Country Village approximately 8 years ago. I have been on the board for a little over 4 years, the last 2 years as the secretary. I am a people person. I enjoy meeting and talking with people. Some of you may have seen me out walking in the village. I consider myself a very approachable person, and if anyone has concerns I try to address them as soon as possible. If I can't get the answer right away I will get back to you when I have the answer. I want to continue to serve the homeowners of this village like I have in the past

**Michael McKinnon**

I have lived in the village for 10 years. I managed 1500 staff for over twenty years and oversaw their training. I am a conscientious village member who wishes to see the best for the village. I have served the village as a board member for the last two years, and have viewed this as looking for and settling only for the best interests of those who live here.
