

Tammy Favro

Previous experience:

My name is Tammy Kelsey-Favro, and I am excited to throw my hat in the ring for a possible position on our LCV HOA Board. I am retired from NYS after 34 years, where I held several different positions that I believe would serve LVC well. I live here with my husband, who is also retired from NYS and we share three grown daughters. We bought our place two years ago this June, and enjoy living here.

Why I am running, philosophy, etc.:

I am running for the board because I want the very best for LCV. I believe you need to be part of the solution, be open-minded, fair, and consistent. I feel that LCV is a great community to live in and be a part of. There are so many ideas and ways to improve the curb appeal, along with so many ideas and suggestions from our members to make LCV exceptional. Important issues include maintaining low HOA fees, better communication between residents and the Board (i.e. receiving answers to requests or inquiries in a timely manner, and establishing a reasonable timeframe when an issue must be tabled.

I thoroughly believe that every LCV resident should have a voice and be heard. Just because things have always been done a certain way, does not mean it should remain that way or that it is the best way; change can be good. I am willing to help in any way that will enhance our community, and am looking forward to working with Board members, volunteers, and community members in an effort to continue to make our community a great place to live. Hopefully, I will be able to become an HOA board member and get to work.
